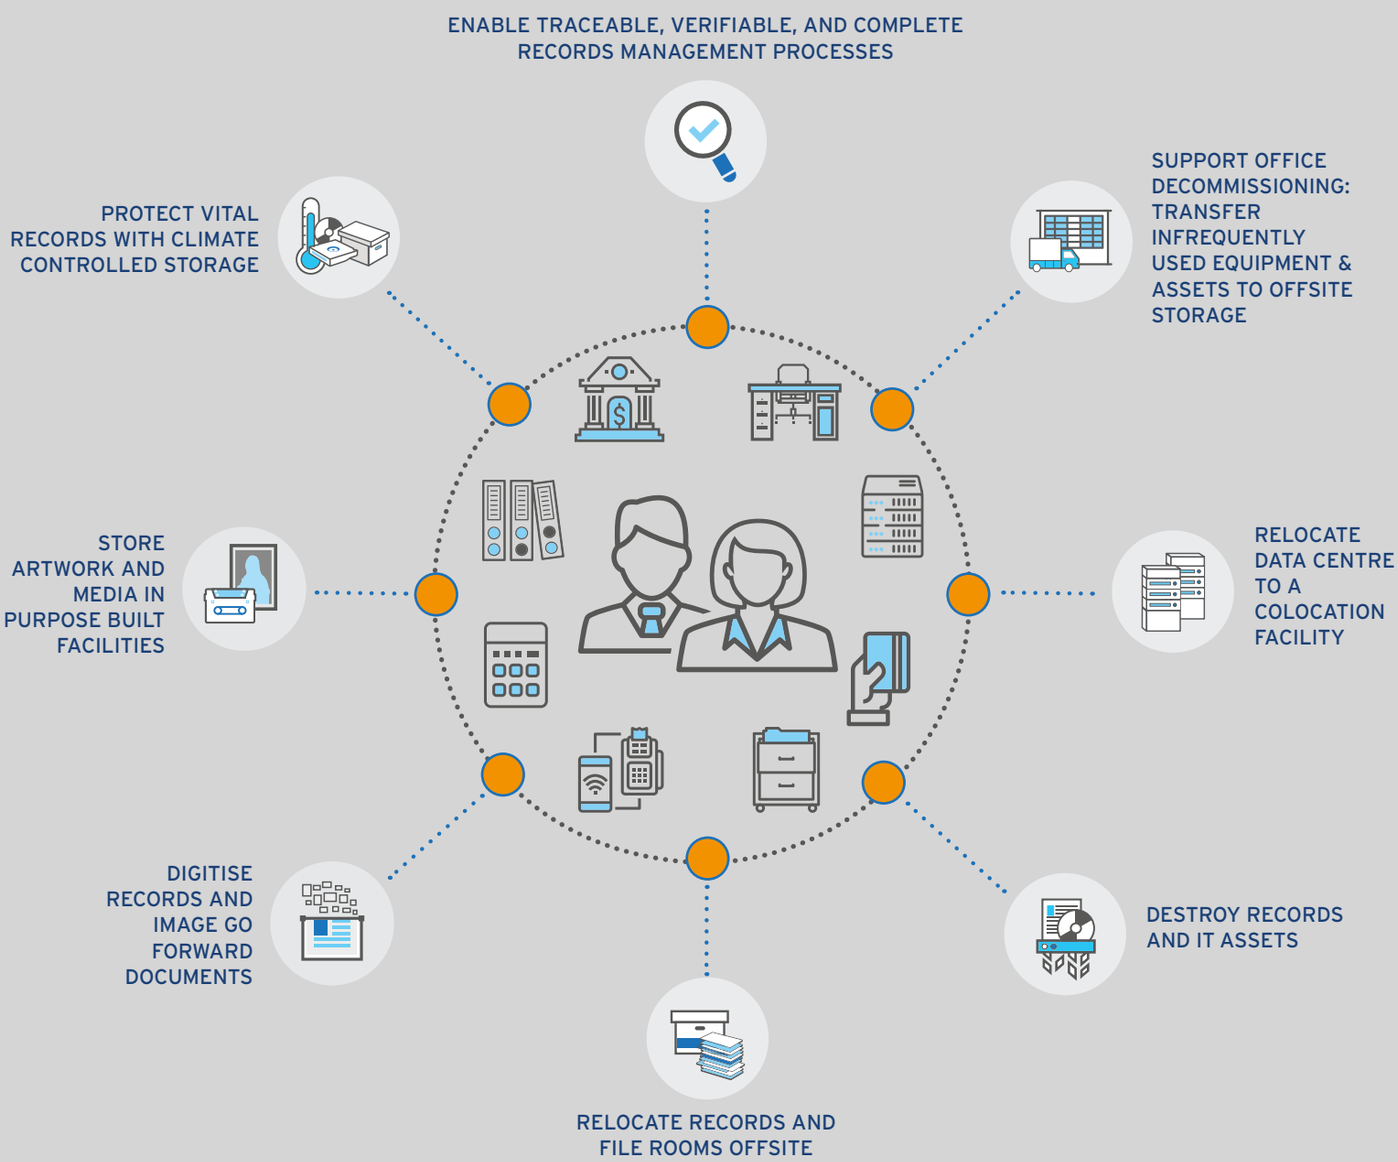
IRON MOUNTAIN CLEAN START®

Financial Services

Shaping the future of work could mean consolidating your real estate portfolio, redefining your operations and supporting a hybrid workforce. Iron Mountain's Clean Start programme can help accelerate that transformation.



HOW CLEAN START WORKS

1. Iron Mountain conducts an **assessment** to identify opportunities for improvement.
2. You'll receive a summary of **proposed improvements**.
3. Together we create a **best practice plan to clear up space and transform**.

You pick the improvements you need based on your budget and priorities, and we manage the process from there. It's that simple!
